## SEMINAR: SUSTAINABLE PRACTICES IN ASIA

LANBIN REN, PHD

lren@uoregon.edu

LA 410/510 – 4 Credits

Mon/Wed Winter 2015

*This seminar has helped six students gain their internships in China and Japan in 2012-15.*

The seminar focuses on innovative concepts, policies, principles and design implementation related to sustainable practices in selected Asian countries such as fast developing areas and deteriorated war zones. Weekly topics include housing, environmental degradation impact, urban renewal, rural development, and more. Students will have two sessions to work with professionals from Asia.

By the end of the course, students should be able to:

- Create their own definition of sustainability through the lens of a variety of practices
- Apply sustainable principles to development related issues

ALL MAJORS are welcome. No design background required. Plus,

*Asian Snacks will be Provided*
